

Ginnie Mae's 6th Annual Small Business Event June 26, 2024

Since 2019, Ginnie Mae continues to sponsor its annual Small Business Event as a means to create, foster, and provide information about Ginnie Mae's contract opportunities. It also enables small businesses to network and team with Ginnie Mae's various program office representatives and some of the businesses who already have contracts with Ginnie Mae. Ginnie Mae has consistently achieved its annual small business goals and believes this event has contributed to its program goal achievements.

This year's event, in collaboration with HUD's Office of Small/Disadvantaged Business Utilization (HUD-OSDBU) was held June 26, 2024 in the Brooke Mondale Auditorium. More than fifty (50) small businesses personally attended this year's event that had been held virtually for the past four years. One hundred-fifty (150) small businesses attended the event virtually.
